Theme	
Urban Co-operative Banks play a big role in Indian economy. Urban Co-operative Banks are much more important in India than anywhere else in the world. Over the years, urban cooperative banks have registered a significant growth in number, size and volume of business handled. The distinctive character of this bank is service at a lower cost and service without exploitation. This workshop will focus on the analyzing and fathoming out the role of Reserve Bank of India in UCBs and role of Urban Co-operative Banks in economic growth of the country and issues related to Accounting, Auditing and Taxation in Urban Co-operative Banks and their implications for the sustainable development.
